

MINISTRY OF PETROLEUM AND MINING

STATE DEPARTMENT FOR PETROLEUM

ADDENDUM

REQUEST FOR EXPRESSIONS OF INTEREST

INTERNATIONAL OPEN TENDER

The Ministry of Petroleum and Mining- State Department for Petroleum invites Expression of Interest from eligible interested firms/ competent seismic contractor for the following:

| Tender No. | Tender Name | Closing Date | Remarks |
|--------------------------------|--|---|---------------------------|
| MOPM/SDP/ EOI/07/2018 -2019 | Request for Expressions of Interest (EOI) for a pre-licensing round 3 D Multi-Client Seismic Data acquisition in the shallow offshore area of the Lamu basin. | 30th April 2019 at 10.30.00 am East African time. | International Open Tender |

1. Objective

The objective of this assignment is to conduct a 3D seismic survey over the shallow water of the Lamu Basin in Kenya for purposes of promoting the area for petroleum exploration and development through a competitive licensing round.

The scope of the assignment will include but not limited to:-

- Increasing the amount of 3D seismic data using state-of-the art technologies over the shallow offshore area of Kenya which may have an aerial coverage of 32,000 sq. km. to cover the existing gaps and merge the new acquisition with existing 3D data coverage.
- Processing the acquired 3D seismic to create data packages for licensing before and after the planned bid round.
- Reprocessing the existing 3D seismic data to derive additional data products or volumes that may be offered separately for licensing as additional data packages.
- Supporting the Ministry of Petroleum and Mining, State Department for Petroleum in planning and organizing a licensing round tentatively scheduled for the year 2021.
- Interpretation of the historic and newly acquired 3D seismic data and its integration with any other datasets to demonstrate the prospectivity of the area to guide the re-configuration of existing blocks to present suitable areas for exploration licensing
- Capacity development of the relevant State Department for Petroleum personnel and selected staff of National Oil in the acquisition, processing and interpretation of the 3D data including economic modelling.
- Proposal for upgrade of the existing National Petroleum Data Centre system for utilization as a platform for data marketing.

2. Eligible Firms

Eligible and interested contractors/firms are requested to submit their expression of interest by providing information that includes and not limited to the following:

- Copy of Certificate of Incorporation/Registration of Company.
- Brief description of the Firm(s) profile(s) indicating suitability to carry out this specific assignment, technical capabilities and available resources.
- List of assignments of a similar nature successfully completed especially in Africa indicating country, client and year.
- Description of the methodology and technology solutions to be applied in the different phases of the project that include, data acquisition, data processing, data re-processing, data integration and interpretation, data marketing and assisting the State Department of Petroleum in promotion and launch of a petroleum exploration bid round.
- A description of how it will support the upgrade of the National Petroleum Data Centre system for utilization in data marketing and visualization for purposes of the exploration promotion bid round.
- Training of Kenyan personnel through hands-on engagement in the different stages of the project including prospect evaluation, petroleum system modelling and economic modelling to determine the relative value of the open acreage, as an integral part of technology transfer and capacity building

Interested eligible candidates may obtain the Expression of Interest documents or any other information from **Supply Chain Management Office, Room 24-19, Ministry of Petroleum and Mining - State Department for Petroleum on the 24th floor, Nyayo House** during normal working hours (8.00 am to 5.00 pm, Monday-Friday, (excluding any public holiday or gazette holiday) or download the document from Ministry of Petroleum and Mining website: www.petroleumandmining.go.ke or <http://www.tenders.go.ke>, for free.
